August 10, 1983

Director Office of Personnel Central Intelligence Agency Washington, DC 20505

Dear Sir:

I request your assistance in the following matter.

A 35mm color slide of the CIA seal has recently been developed at the agency using ISSCO Graphics computer software. It is an excellent example of the use of our product in support of graphic arts applications.

I would greatly appreciate receiving permission to show it, along with other ISSCO slides, in briefings and presentations of computer graphics benefits and capabilities. I believe it would be very well received in my "Computer Graphics for Managers" briefings at the National Defense University Department of Defense Computer Institute (DODCI).

Thank you in advance for your time and consideration of this request. I hope to be able to use the slide in the September - October DODCI briefings, subject to your approval.

Sincerely,		

**STAT**
